We have the only Hydrostream VISA ever built. It is 24.6' with a tunnel v bottom. It is rigged with twin 2008 counter rotating 300 HP suzuki four strokes. This rare boat was purchased and rigged to race in an enduro race in Parker AZ. We could not get the boat to run on the top end due to Fuel vapor locking and starving out the motors. Jack plates, custom built fuel tank, elec gagues, tandem axel boat trailer, and motors all go for the 45k. I can send more pics if interested. Thanks for looking.

- Location: Lindstrom
